The San Diego Jewish Academy initiated this worldwide project with the idea of creating a memorial by children in today's free world in memory of those children who perished in the Holocaust and "Never saw another butterfly".

The goal is to create 1.5 million butterflies.

Add a butterfly of your own and we will add it to a memorial here in Memphis.

The project is organized by **MJHS** and **Keshar-Konnections** teen program
with the Yom-Hashoah committee at Memphis Jewish Federation.
